

GOVERNING BODY 2020 - 2021

The Governing Body, together with the Headteacher, Mr Steven Elliott and the Senior Leadership Team oversee the running of the School. The Governing Body is made up from Teachers, parents and members of the Community who all perform their role on a voluntary basis.

The Full Governing Body meets once each half term and all Governors are also members of standing committees which deal with specific issues. These standing committees feed back to the Full Governing Body.

The Role of the Governors

The role of the Governors is a largely strategic one in running the school and Governors act as a critical friend, ensuring accountability of the Governing Body to the Parents and accountability of the Headteacher to the Governing Body.

Name	Term of Office	Category	Appointed By	Link Governor for
